

CALL FOR PAPERS

www.ijcaet.undip.ac.id

The 2nd International Joint Conference on Advanced Engineering and Technology (IJCAET 2017) will be held together with International Symposium on Advanced Mechanical and Power Engineering (ISAMPE 2017) in Bali, Indonesia. We are inviting academics, researchers, and practitioners to submit case studies of practice, theoretical papers, empirical studies and other papers that address any topic within the broad areas of engineering and technology. Participants with accepted extended abstract will have options to present in oral or poster sessions in the conference.

Conference's theme: **“Advanced Engineering and Innovation for Green Technology and Sustainable Development”**

Organizers

Faculty of Engineering - Diponegoro University (UNDIP)
College of Engineering - Pukyong National University (PKNU)
Faculty of Engineering - Udayana University (UNUD)

Topics

Topics of interest for extended abstract submission include, but are not limited to:

Aeronautical and Aviation Engineering, Architecture, Automation, Mechatronics and Robotics, Bio-Medical Engineering, Chemical Engineering, Civil Engineering, Computer Science & Engineering, Electrical Engineering, Environmental Engineering, Geodetics and Geology, Image Processing and Recognition, Industrial Engineering, Information Technology, Materials and Metallurgical Engineering, Mechanical Engineering, Nano-Technology, Natural Sciences, Naval Architecture and Marine Systems Engineering, Ocean Engineering, Safety and Reliability in Engineering, Urban Planning and Urban Design

All submissions will be peer reviewed by 2-3 reviewers. The registered and presented papers will be published in the MATEC Web of Conferences proceeding, which is indexed by **Scopus***. Selected extended papers will be recommended for publication in one of **Scopus** indexed journals**:

- Journal of Bulletin Of Chemical Reaction Engineering & Catalysis (BCREC)
- International Journal of Intelligent Unmanned Systems (IJIUS-Emerald)
- International Journal on Advanced Science Engineering and Information Technology (IJASEIT),

or in a nationally accredited journal**:

- International Journal of Renewable Energy Development

*) subject to review process and proceeding's requirement

***) additional cost may be required

Keynote Speakers

Arcandra Tahar Vice Minister of Energy and Mineral Resources, Republic Indonesia
Alexander Cuthbert, The Univ. of New South Wales, Australia
Andrew Price, Loughborough University, UK
Niro Nagai, University of Fukui, Japan
Ren Dai, Univ. of Shanghai for Science & Techology, China

Important Dates

Extended abstract submission	1 Feb - 1 May 2017
Notification of abstract approval	15 May 2017
Full paper submission	16 May - 5 Aug 2017
Conference day	24 - 26 Aug 2017
